*The California Education Code Section 56190-56194 mandates that each Special Education Local Plan Area (SELPA) have a Community Advisory Committee (CAC) that serves in an advisory capacity regarding:*

- *The development, amendment and review of the Local Plan.*
- *Recommending annual priorities to be addressed by the Local Plan.*
- *Assisting in parent education and recruitment.*
- *Encouraging community involvement in the development and review of the Local Plan.*
- *Supporting activities on behalf of individuals with exceptional needs.*
- *Assisting in parent awareness of the importance of regular school attendance.*

*The Education Code also mandates that the majority of CAC members be parents. Joining the CAC gives parents an opportunity to have their opinions heard and make a difference in the way Special Education is conducted in Elk Grove.*
